4TH ANNUAL GATEWAY
PEDIATRIC TRAUMA SYMPOSIUM

September 26, 2104
The Lodge Des Peres

SLC19255 8/14

4TH ANNUAL GATEWAY
PEDIATRIC TRAUMA SYMPOSIUM

September 26, 2014

LOCATION: The Lodge Des Peres, 1050 Des Peres Road, St. Louis, MO 63131

INTENDED AUDIENCE: Physicians, Nurses, Pre-Hospital Providers, and other health care professionals.

PRESENTED BY: St. Louis Children’s Hospital and Washington University School of Medicine

KEYNOTE SPEAKER: Lisa Reichter, RN, BSN, CCRN, Trauma Program Manager, Children’s Hospital and Medical Center, Omaha, NE

COURSE OVERVIEW:

Full day presentation for physicians, nurses and pre-hospital providers focusing on various types of pediatric trauma and issues related to the pediatric trauma patient.

COURSE OBJECTIVES:

At the conclusion of this activity, participants should be able to:

- Identify management and interventions for children with various injuries.
- Describe injury prevention and mitigation activities that can be incorporated into their practice.

TARGET AUDIENCE:

These topics should be of interest to physicians, nurse practitioners, nurses and other health care professionals caring for pediatric trauma patients. Continuing education credits should be applicable for pediatric-specific trauma education hours required by state trauma regulations.

PROGRAM COST:

- \$100 for physicians (\$150 late registration)
- \$50 for nurses (\$100 late registration)

SPONSORED BY

This live activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Washington University School of Medicine, Continuing Medical Education and St. Louis Children’s Hospital. Washington University is accredited by the ACCME to provide continuing medical education for physicians.

Washington University designates this live activity for a maximum of 7.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DISCLOSURE POLICY

It is the policy of Washington University School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational activities. All presenters participating in this activity are expected to disclose to the audience any financial interest or other relationship he/she has with the manufacturer(s) of any commercial product(s) discussed in an educational presentation. All presenters’ disclosures were reported and are indicated with their presentations. Presenters are also expected to openly disclose inclusion of discussion of any off-label, experimental, or investigational use of drugs or devices in their presentations. Presentations are expected to be based on evidence that is accepted within the profession of medicine as adequate justification for their indication in the care of patients. All scientific research should conform to the generally accepted standards of experimental design, data collection and analysis. These presentations are the views and experiences of the presenters. The presenters’ views do not represent the policy or position of Washington University School of Medicine. Washington University School of Medicine, Continuing Medical Education is the sponsor for CME credits.

7 nursing contact hours provided by St. Louis Children’s Hospital for participants attending the entire session.

St. Louis Children’s Hospital is an approved provider of continuing nursing education by the Missouri Nurse’s Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.
